**Glendale, Ariz.** — Glendale 11 TV announces the premiere of the July 2014 edition of the “Glendale Insider”. In this all new 30 minute show, dedicated to highlighting the best of the City’s news and events from the past few weeks, we’ll take you to the grand opening of the Glendale Fire Department’s new downtown headquarters and show you around the renovated historic building.

Also, our cameras go along with the nationally syndicated “Cops” TV crew as they ride along with Glendale Police capturing video footage from real calls highlighting the work of the men and women from Glendale Police. We’ll tell you why TV executives from “Cops” picked Glendale and let you know when you can watch all the new episodes featuring Glendale officers.

Other stories on the “Glendale Insider” include a feature on the Glendale Convention & Visitors Bureau mobile app and how you can get it – for free; we’ll take you on an eye popping tour of the stunning art on display at the city’s “Gallery Glendale” located at Westgate Entertainment District and see former Phoenix Suns player Dan Majerle unveil Habitat for Humanity’s 1000<sup>th</sup> Valley home, built right here in Glendale.
